TUAN T. LAM
PRIMARY EXAMINER

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with attorney Robert M. Meeks (Reg. No. 40,723) on 1/5/2006.

The following changes have been made to the subject application:

Claim 12:

Line 3, "signals" has been changed to --signal--.

Claim 14:

Line 12, "that generates" (first occurrence) has been deleted;

Line 14, "the" has been deleted.

Claim 19:

Line 3, before "cascaded", --the delay circuit comprises a--.

The Examiner's amendment has been made in order to comply with the 35USC 112, second paragraph and to place the application in a condition for allowance.

2. The following is an examiner's statement of reasons for allowance: the amendment filed 12/23/2005 has overcome the prior art of record. The prior art of record fails to teach or fairly suggest the delay control circuit comprising a fine control counter circuit that increments and decrements a fine control count signal responsive to the error signal and that generates a count limit indicator signal responsive to the fine control count signal reaching one of a maximum or

minimum count and a coarse control counter circuit as called for in claims 1 and 14. Therefore, claims 1, 3-7, 12-20, 25-26 and 29 are presently allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Tuan T. Lam whose telephone number is 571-272-1744. The examiner can normally be reached on Monday to Friday (7:30 am to 6:00pm).
